

# INCREASED COST OF HEALTHCARE FOR GESI GROUPS

“Ensuring universal health coverage for all”

Unavailability of  
emergency vehicles  
to transport GESI  
groups during  
referrals

Lack of information on  
coverage of NHIS (GESI groups  
made to pay for medications  
on the prescribed list)

## INCREASED COST OF HEALTHCARE FOR GESI GROUPS

Challenges in maintaining stockpiles,  
leading to shortage of medicines (GESI  
groups have to purchase medicines  
outside of facilities)

Transportation cost to renew NHIS  
card as well as renewal charges
